I am a self-taught multidisciplinary creative director, designer, and developer based in Austin, TX with 12 years of experience. I have a relentless passion for big ideas, little details, and a better approach to creating world-class interactive experiences. I have a desire to keep learning new things, continue challenging myself, and do interesting things that matter. My best work happens when technology, storytelling, and design intersect.

[ART DIRECTION] [INTERACTIVE EXPERIENCES] [FULL STACK DEVELOPMENT] [UI/UX DESIGN] [MOTION DESIGN]

[DIGITAL PRODUCT DESIGN] [PRINT DESIGN] [BRANDING]

...and above all, fun!
